#### Family owned. Community focused.

Carly, Hampton, Perry, and Rusty Edgar

Who says bigger is better?

Benchmark Bank invites you to experience boutique, community banking at its finest. Family-owned by Texans since 1964, our business is built on the personal relationships we have established with our customers through decades of service. This is oldschool banking with today's features and convenience.

Being small means spending time

with our community; it means investing in YOU. For us, community banking means caring for generations of Texans to come – teaching financial literacy to your children, partnering with our school districts, and volunteering to serve our

non-profit community. The way we know you is by working alongside you. We are proud to engage with our community.

Being small means seeing the same friendly face every time you stop by. We take pride in building our Benchmark community by hiring exceptional people, who care about the bank, each other, and you. At Benchmark Bank, we grow with you. And in the end, our relationship with you is our greatest investment.

Being small means that we can fit the product and the package to your needs, not the other way around. It means speaking directly to someone who knows the intricacies of your personal and business goals, and not having to navigate an automated system with cookie-cutter products.

Being small makes it easy for our customers that start as neighbors, to become our friends. We are proud to continually raise the bar for a remarkable customer experience. Come check out our newest branch at Casis Village and experience true community banking.

#### Hillary Deck

After becoming one of Chicago's top producing realtors, Hillary returned back to her roots in Austin, Texas, where she continues to be successful, working with clients throughout the city to buy & sell homes. Her real estate expertise is complemented by her previous experience as a mortgage consultant in Los Angeles and marketing executive with a high profile agency in Chicago.

"Austin is such a unique place to live. As a third generation Austinite, I know the ins and outs of the ever-changing city, while also having the advantage of starting my real estate career in the much larger, challenging market of Chicago many years ago. Through that, I have become a seasoned negotiator who can get great deals for my clients," Hillary says.
